About the Programme:

The RUSA 2.0/PM-USHA Assam Sponsored Teachers' Training Programme on Cutting Edge Research in the Light of NEP 2020, organised by Krishnaguru Adhyatmik Visva Vidyalaya is a timely academic initiative aimed at enhancing the research competence of teachers and research scholars in higher education. This programme reflects the national commitment to transforming India's education system in line with the objectives of the National Education Policy (NEP) 2020, which emphasizes quality research, interdisciplinary learning, innovation, and knowledge creation.

In today's rapidly evolving academic environment, teachers are expected not only to impart knowledge but also to engage in meaningful research that contributes to both scholarship and societal development. This training programme has been designed to equip participants with the latest perspectives, methodologies, and tools of cutting-edge research. It will provide insights into emerging trends across disciplines, encourage collaborative approaches, and strengthen the culture of inquiry and innovation.

Through interactive sessions, lectures, and practical workshops, the programme seeks to inspire teachers to integrate research with pedagogy, thereby enriching the teaching-learning process. Special emphasis will be laid on how research can be aligned with the vision of NEP 2020, which aspires to make India a global knowledge hub by fostering creativity, critical thinking, and evidence-based practices.

By hosting this programme, Krishnaguru Adhyatmik Visva Vidyalaya reaffirms its commitment to academic excellence, professional growth, and holistic development, creating a platform where teachers evolve as researchers, mentors, and nation-builders.
